

Brest, 17th of march, 2022

Ausy opens an office in Brest and recruits 50 employees

In response to the strong recovery of its customers in the Brittany region, Ausy, a high-tech consulting and engineering company, is opening an office in Brest and recruiting more than 50 employees.

50 opportunities to work in cutting-edge technology sectors

The Finistère is a very dynamic department that offers many opportunities for engineers, particularly in the Banking and Insurance, Telecoms and Defense and Security sectors.

In order to support its clients' strong recovery, Ausy is opening an office at 180, rue Benoîte Groult - Bâtiment Le Venice - in Guipavas. These premises will be inaugurated on Wednesday 23 March.

Ausy is also recruiting more than 50 talents in 2022 who will join the 70 employees already working in the region. These recruitments concern jobs related to digital and complex systems and are open to profiles with 5 years of higher education.

The most sought-after skills are as follows :

- Project Managers / Product Owner
- Project Management Consultants
- System and network administrators
- Fullstack developers (java and vue.js)
- Tech lead java
- IVVQ / C++ / DevOps / cloud /tests/ automation engineers, integrators
- Application integrators (naval)

Recruitment events that favor direct contact

In order to recruit the best candidates in the region, Ausy relies on the relationship of trust established with the schools that train the engineers of tomorrow.

In contact with these future graduates, Ausy is launching its Ausy Campus Tour for the first time: a food truck that comes directly to the campuses of the major schools and allows students to apply informally, and with good food, for the offers proposed by the group (permanent, fixed-term or work-study contracts).

In Brest, the Ausy foodtruck will make a stop on **Monday, March 28, 2022, from 12:30 to 14:30**, on the ISEN campus, 20, rue Cuirassé Bretagne. This will be an opportunity for the teams to discuss with the students the jobs and opportunities offered within the group.

"Ausy has been present in Brittany for over 20 years. It is with great pride that we are opening these new offices today, reflecting our growth and the growing confidence that our clients place in us and our employees on a daily basis. This opening is synonymous with new business opportunities but also with great career paths for candidates who would like to join us," says Jean-Philippe Aitelli, Executive Vice President in charge of Ausy's operations in France.

About AUSY

AUSY is an international technology consulting group whose business model is based on a strong culture of innovative technology and stakeholder intimacy that allows it to have a strong business impact through diverse industries.
